Mojtaba Hajiabadi

Assistant Professor

Faculty: Electrical and Computer Engineering

Department: Electronic

Education

Degree	Graduated in	Major	University
BSc	2012	Communication Engineering	University of Birjand
MSc	2014	Communication Engineering	Ferdowsi University of Mashhad
Ph.D	2018	Communication Engineering	Ferdowsi University of Mashhad
Fellowship	2019	Communication Engineering	KU Leuven

Employment Information

Faculty/Department	Position/Rank	Employment Type	Cooperation Type	Grade
University of Birjand		On Contract	Full Time	2

Papers in Conferences

1. Mojtaba Hajiabadi ,Adaptive Channel Estimation for MIMO-OFDM Systems in Impulsive Noise Environments ,سیزهمین کنفرانس بین المللی مهندسی کامپیوتر و دانش, pp. 0-0, 01 11 2023, مشهد.

Papers in Journals

1. Mojtaba Hajiabadi,Transient analysis of multitask learning over adaptive networks with wireless links,International Journal of Adaptive Control and Signal Processing,Vol. 1,No. 38,pp. 1-18,2023,JCR،Scopus.
2. Mojtaba Hajiabadi,Exploring the potential of parallel adaptive filters for audio noise removal,Signal, Image and Video Processing,Vol. 1,No. 18,pp. 1-10,2023,ISI،JCR،Scopus.
